## Camp Philosophy

The goal of the Holy Cross Basketball Camp is to develop a complete basketball player. This is achieved by teaching proper fundamentals of the game in a positive, encouraging environment. Sportsmanship, teamwork, confidence, and individual drive are the keys to enjoying success both on and off the basketball court. These qualities will be emphasized in safe, supervised, and enjoyable surroundings at Holy Cross.

Campers will be evaluated by our coaches and placed in groups based upon age and ability to ensure fair competition for all.

All campers are expected to abide by the rules and regulations of the camp. Courtesy, honesty, and respect for fellow campers are essential and expected qualities of all those who attend Holy Cross Basketball Camp. Failure to follow rules and regulations will result in dismissal from the camp without refund.
