THE COOKING CLUB HAS MADE ITS JANUARY DEBUT

While it was pretty cold out there these past couple of weeks, we were warm in the Holy Cross High School kitchen cooking with Mr. Bailey and the entire, new **COOKING CLUB!** Our first club meeting was last Thursday! Club members made three versions of guacamole for their group chef's competition. Yesterday, the novice chefs made chili from scratch. To get involved, please sign-up for the Cooking Club with Mr. Bailey, which meets Thursdays after school. Take a look at some of our student chefs at work and the fantastic dishes our Holy Cross chefs created...
