THE 2021 GOLF & DINNER CLASSIC PAYS TRIBUTE TO

DANIEL J. HANNON '73

This year we are pleased to pay tribute to our honoree Daniel J. Hannon, Class of 1973, founder of Daniel J. Hannon & Associates in Rockville Centre, New York.

As a lead sponsor of the annual Holy Cross High School Golf and Dinner Classic since 1998, Dan has made a significant impact in attracting academically gifted students to the school through the Alumni Scholarship Fund, which provides full, four-year scholarships to Holy Cross students. He is empathetic with the needs of families requiring tuition assistance, having worked numerous jobs to pay for his own high school and college education.

After graduating St. John's University with a BS in Criminal Justice, Dan spent several years in public service, first as an investigator, and then as a police officer, prior to establishing a company specializing in surveillance, claims investigation, trial preparation and data mining. The firm has since grown into a nationwide consultancy, with offices in New York, New Jersey, Kentucky and California.

In 2009, Dan was inducted into the Holy Cross Hall of Fame in recognition of his personal and professional achievements, and the time and talent he contributed over many years to the HC Board of Directors, numerous fundraising committees, and participation in various events. At that time, Dan expressed that he was "grateful for the discipline and sense of self-reliance that HC instilled in me, which gave me a solid foundation to build a successful life."

A steadfast supporter of many non-profit organizations, we are grateful that Dan consistently prioritizes Holy Cross High School among his many philanthropic endeavors.
