In addition to class participation, written assignments will be an important part of course grading. All assignments must be submitted on time, with appropriate content and length.

SUMMER SCHOOL GUIDELINES

RULES OF CONDUCT

In registering their child for summer school, parents have agreed to assist in supporting the rules of conduct as stated in the Bulletin and the Statement of Specific Regulations to be issued for parental signature on the first day of class.

These regulations are intended to foster a productive environment for successful study and to guarantee that students contribute to this environment in a positive and respectful way. This requires an appropriate sensitivity to the needs of all. Everyone has the responsibility to create an atmosphere for academic, social, and personal development.

Parents will be immediately contacted for a conference regarding serious or continuous misbehavior that can result in dismissal from summer school, loss of credit, and loss of tuition and fees.

ATTENDANCE

Holy Cross is an approved New York State Department of Education Summer School, which adheres to the State Education Department attendance regulations.

Attendance and participation in class is vital to academic success. Absences prevent a student from participating fully in the educational process. Repeated absences may affect a class grade and jeopardize passing a class.

PUNCTUALITY

Students are expected to be on time for class. Frequent lateness is a serious matter. Students who are extremely late risk not being admitted to class and being recorded as absent.

On the date of an absence, parents must call the school at 718-886-7250 extension 518 before 8:30 am. After the absence, the student must present a note from the parents to the school office to be readmitted.
